## **For Immediate Release:**

### **Action Products, Inc. introduces Xact® LP2 wheelchair cushion**

**Hagerstown, MD, USA, November 17, 2011:** Action Products, Inc. introduced the **Xact® LP2** wheelchair cushion at the Shopper's Health Care Innovations Show in Toronto, Canada this week. The 2" **LP2** cushion provides low seat to floor height for active users and moderate-to-high risk clients. It's unique clinically engineered construction features a Sacral Reservoir that floats the high risk coccyx area in a pool of Akton® polymer; cushioning critical pressure points for long lasting comfort and support.

The innovative cover features the industry's only Window Orientation System designed to prevent incorrect cover placement and incorporates specialty fabrics that minimize shear stresses, helps to prevent sacral sitters and breathes for patient comfort.

For more information on this exciting new cushion, please call Customer Service at 800.228.7763 or HPU Rehab, Action's exclusive Canadian Representative: 416-739-1267, [info@hpurehab.com](mailto:info@hpurehab.com) or [www.hpurehab.com](http://www.hpurehab.com).

Since 1970, Action Products, Inc. has been *Making a Material Difference®*, by manufacturing Akton® viscoelastic polymer pads and positioners for the prevention of decubitus ulcers. With many white papers and clinical studies, Action® brand products have become the worldwide gold standard for the medical industry. XACT, AKTON, and MAKING A MATERIAL DIFFERENCE are all registered trademarks of Action Products, Inc.
